LOYALTY REWARDS

WELCOME TO PLATINUM

Dear Valued Customer,

Congratulations!

Because we value your loyal support to our business, we are offering you the ongoing opportunity of benefiting through our Platinum Rewards Program. This unique system enables you to earn Platinum Points which are redeemable for top quality gifts as a just reward for your continuing support.

The system has been design to be simple to use and understand.
Every dollar spent earns you one point.

Customer accounts need to be up to date for gifts to be redeemed. Also, overdue accounts may result in de-registration from the scheme at All-Line's discretion.

You must register to be included as a Platinum Reward Client and thus begin to earn points. Simply request the registration form from the contact bottom right for immediate inclusion.

THE OBJECTIVES OF THIS SCHEME ARE TOO:

- Reward our valued customers for their loyalty with meaningful and useful gifts.
- Encourage our customers to take greater advantage of our vast product range and large stock holding, thus earning more points quickly.
- Encourage prompt, on time payment of accounts.
